SOFTWARE ENGINEER/ WEB DEVELOPER

SUMMARY OF QUALIFICATIONS:
Experienced Software Engineer and Web Developer, proficient in JavaScript, React.js, Node.js, and more. Contributed to impactful projects, including Cov19NYC, a full-stack web application for tracking COVID-19 cases. Demonstrated expertise in AI training and effective collaboration at Remotasks. Certified AWS Cloud Practitioner, continuously advancing skills in cloud computing and software engineering.

TECHNICAL SKILLS
Front end: JavaScript, Typescript, React, Redux, HTML, CSS, Tailwind, Bootstrap, Photoshop
Back end and others: Node, Express, MongoDB, SQL, PostgreSQL, Git, Heroku, Git, Github, AWS

PROJECTS
Fit Mate.AI | Fullstack Developer |https://fit-mate.onrender.com/
- Integrated Chat GPT API to dynamically create custom workout routine based on user's profiles
- AI-based analytics to track and improve workout effectiveness over time
- Designed a responsive UI in React for an intuitive user experience
- Implemented a robust backend with MongoDB to store and manage user workout data
- Tech Stack: HTML/CSS, Javascript, React, Node.js, Express.js, MongoDB, Render, JWT

AvaNote | Fullstack Developer |https://ava-note.onrender.com
- Developed a React-based note-taking app allowing users to create, edit, and delete notes
- Utilized React Hooks for efficient state management and side-effect handling
- Implemented localStorage functionality for data persistence between sessions
- Integrated a markdown editor for rich text formatting
- Tech Stack: HTML/CSS, Javascript, React

WORK EXPERIENCES
Outlier AI, Remote   December 2023-present
Software Engineer AI Training
- Expertly respond to software engineering prompts, providing insightful answers, and demonstrating in-depth knowledge in coding and software development
- Collaborate with fellow engineers, offering valuable feedback to optimize responses for AI chatbot training collectively
- Conduct a thorough analysis of the chatbot's responses, ensuring accuracy, safety, and clarity to enhance reliability and user-friendliness

Feel Beauty Supply, Queens, NY   January 2019- July 2019
Graphic Designer
- Designed web banners and web content on the company e-commerce site, including newsletters, and coupons to aid in promoting 30 chain stores
- Managed product updates and news on the e-commerce platform (Magento) and social networks, ensuring they reflect new products and branding
